

GEAR'D UP!

Greetings everyone,

Like most of you in recent days, we have been focused on the quickly evolving coronavirus (COVID-19) pandemic. In responding to the pandemic, our first priority is the health and well-being of staff, members and the community at large.

At this point Bike Valet will NOT be open at any events at the Golden 1 Center, or at Sac Republic Games. Shamrock'n has been canceled too. As soon as we are open again, we'll let you know, but for now, Bike Valet is closed. Here's the rule of thumb: if an event is cancelled or postponed, then BV will also be cancelled or postponed. If in doubt, give us a call or shoot us an *email*.

Do your part to stem the coronavirus: we ask you to follow these guidelines set forth by public health authorities to stop the spread of COVID-19:

- Wash hands with soap and water, and rub for at least 20 seconds.
- Cover your cough or sneeze.
- Stay home if you are sick.

Social distancing is necessary to mitigate the spread of coronavirus—but we know that social isolation is not easy. **Get out and Ride!** Bicycling, whether for everyday transportation or recreation, remains a safe activity, and we encourage you to go for a ride and enjoy all of the benefits it provides your physical, mental and environmental health.

Thanks for your continued support of SABA and the work we are engaged in. We appreciate your membership and your donations will be all the more important to ensure we can continue our work and do our part to make the Sacramento Region a safer and easier place to bike.

Stay well and safe, and please take care of yourself and your loved ones.

My best to you,
deb

Executive Director, SABA
