

# GEAR'D UP!

## Show SABA Some Love on this Year's Big Day of Giving!

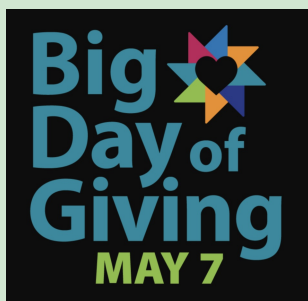

Dear SABA Friends,

Over 600 organizations are participating in this year's [Big Day of Giving](#) on May 7, and [Sacramento Area Bicycle Advocates](#) is the only one whose mission centers around cycling.

Like other local organizations and businesses, our plans for the year have changed as we shifted our attention to what's most important — protecting the health and well-being of our families and communities. At the same time, we have pivoted our organizational focus to setting up virtual events, such as bike safety classes, and continuing to advocate for safe streets and bicycle networks in the proposed Sacramento County sales tax measure, slated for November's ballot.

In addition, we have recently launched the [Sacramento Bike Match](#) program, which is connecting our first responders, medical professionals and essential workers on the front lines with free bikes during the COVID-19 pandemic.

As we continue to advocate for safer streets and roads for ALL cyclists, we ask that you support us by [making a donation](#) for this year's Big Day of Giving. You don't have to wait until May 7 to support us — you can [schedule your donation](#) today. *Thank you to those who have already done so!*

In addition to donating, you can also create your own fundraising page for SABA! When you show support for SABA by sharing your fundraiser with your friends, it will increase our reach and support base.

Thank you!
