

# GEAR'D UP!

## Happy Fourth of July!

All of us at SABA wish you a great July 4th weekend.

We encourage you to get outside and enjoy a family bike ride together. We've created a number of activities for you and your kiddos that will improve their cycling skills and are a lot of fun to do. Check them out on our [Family Cycling Resources](#) page, where you can download individual .pdfs or the entire Family Cycling Resources [Toolkit](#).

Be safe, be well, and enjoy the holidays festivities in a socially-distanced way!

## Bike Mechanics Needed!

If you have some basic wrenching skills and want to make a few bucks, we are looking for bike mechanics to work in our [Bike Doc and Bike MD programs](#). These are pop-up bike repair events, typically four hours long, where we service bikes for community members in outdoor settings. Using COVID protocols to stay safe, we are getting bikes on the road for the summer. [Join us!](#)
