

# GEAR'D UP!

**BICYCLE  
FILM  
FESTIVAL**  
20TH ANNIVERSARY  
International Virtual Tour

What do women in NYC, men in Rwanda, BLM protesters and Ghanian refugees all have in common?

Bicycles!!!!

Sacramento Area Bicycle Advocates and BikeDavis are excited to announce that we are hosting the Bicycle Film Festival, **virtually February 5 - 14.**

The [\*Sac/Davis BFF\*](#) curated collection of short films will take you on a journey around the world. Learn about a charismatic Ghanian immigrant in Amsterdam who teaches refugee adult women to ride bikes – experience a birds-eye view of a BLM bicycle protest ride from New York to DC – feel the anguish of a father's loss – the struggle of a young woman and her bike in Iran – and reprieve from genocide through cycle sport.

Bicycle Film Festival has been celebrating bicycles through art, film and music for the last 20 years. The physical BFF spanned the world in over 90 cities worldwide to an audience of over one million people. The festival has an incredible history of working with the important artists, filmmakers, and institutions around the world. And now, you can experience it from home.
