SABA will be HOSTing May is Bike Month for 2022!!!!!

Can you tell by the number of exclamation points that we're excited?

We'll be working with community partners from Sacramento, El Dorado, Sutter, Yolo, Placer, and Yuba Counties. It's gonna be a BIG month! Have an idea for an event, a ride, an energizer? Get in touch!

JOIN a COMMUNITY PLANNING TEAM!

The City of Sacramento's Active Streets Plan aims to improve safety and comfort for walking, biking, and taking transit in N. Sac, S. Sac, and the Fruitridge/Broadway areas.

With your help, each Plan will identify locations to install or improve walking, biking, and access to transit – like sidewalks, crosswalks, bike lanes – all important things for getting around safely.

The City is looking for a diverse group of residents aged 14 and up who regularly walk, bike, and roll throughout the community to join one of three Community Planning Teams for the City of Sacramento's Active Streets Project.

Your participation is critical to an equitable planning process and to ensure that barriers to active transportation are identified and that solutions are developed with community voices and priorities.

Qualifying participants who complete all team obligations will receive a $75 gift card per meeting for participation.

Likewise, bike valet is open for all Golden 1 Center events. We're located in Ali Youseffi Square at the end of K street.

We have **business memberships** available and at the higher levels of membership, we'll provide a workshop for you and your company.

Could be a repair clinic, or a social ride, or maybe we can help you with Bike Friendly Business certification from the League of American Bicyclists.

We can tailor something to fit your needs and we'd love to help your organization become more bicycle friendly.
