GEAR'D UP!

Introducing BikeSacRegion365

With the success of May is Bike Month, we decided to launch a year-round campaign to encourage people to trade their car trips for bike trips for short trips around town. We think of it as "Every month is Bike Month!"

BikeSacRegion365 encourages everyone in the greater Sacramento region (Sacramento, Yolo, Sutter, El Dorado, Placer, and Yuba counties) to ride their bike!

Using the LovetoRide.net platform most of you know, so if you already have an account, then you are good to go. By logging and sharing rides, you can: set personal goals, document your progress, lower your personal carbon emissions, improve your overall well-being, and contribute to a collective effort to promote cycling as an everyday activity.

BikeSacRegion365 also offers rewards and incentives to keep you motivated and engaged during the larger campaigns throughout the year: Biketober, Winter Wheelers and May is Bike Month.

Our aim is to promote cycling culture throughout the entire year, making the Sacramento region a more bike-friendly community. You can find registration information and a year-round cycling event calendar at bikesacregion365.net.

BIKETOBER

Ready for Biketober?

Biketober is a fun, free, and friendly biking challenge. You, your friends and co-workers can all take part. The aim is simple – to get more people enjoying the benefits of riding bikes. You can ride anywhere, anytime in October to participate.

By logging your bike trips on Love to Ride or by syncing your Strava account, you could be in the running for a \$4,000 vacation. Plus, there are more prizes up for grabs if you encourage other people to get involved, too.

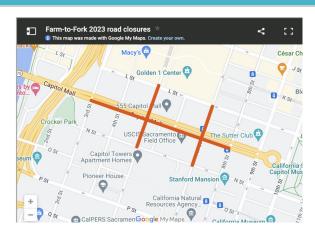

So, push those pedals, spread bike love, and move to get more people riding bikes this October! Join now at <u>bikesacregion365.net</u>.

Your experience is important

The City's Streets for People project remains open for input, but time is running out, so get your biking experience into the plan. Your input is informing the City's Active Transportation Plan, so it is really

important to submit your experiences: where things ARE working, where they ARE NOT working, ideas on how streets could be made SAFER. Now's the time to speak up and help shape or future Active Transportation Plan. Use the interactive map to pinpoint areas of concern. It's EZ and fun. Check it out here!

Farm to Fork Road Closures

Tonight, at 6 p.m. Friday, Seventh Street from N to L streets will close. The city is advising people to **plan ahead** for these closures and use alternative transportation.

BIKE VALET Will be open, so ride your bike to the Festival and skip the parking frustration.

All roads will reopen on Sunday.
